Kick-Arounds

Any players U13 and under are welcome to join in on Tuesday and Thursday nights at Aliber Soccer Complex for kick-arounds in July and August. Brad Whitman and Chris Shay (Menace parents) have agreed to help facilitate pick-up games from 7:00-8:30pm. The intent is to allow players to play without any coaching or referring. They will just be there to monitor and make sure the kids stay safe.

Please Note – there will be no pick-up games on July 5, 19 or 21.

Olympic Development Program (ODP) Tryouts

Iowa Soccer's ODP program is a player identification and development program. It provides age-eligible players an opportunity to represent Iowa at the US Youth Soccer Region II level. Player development provided at ODP events is intended to complement training at the club level. Tryouts for the Iowa boys' and girls' ODP teams begin in mid-August.
